I Last night about eleven o'clock, a destructa fire broke out in the extensive organ factory of Mr. Henry Erban, Centre street. Notwithstanding he exertions of the firemen, who were soon on the spot, the flames continued to rage until the whole brilding became a mass of blazing ruins. In about half on hour after the commencement of the fire, the whole front of several stories in height fell with a tremendous crash, leaving one of the side walls, which was still standing about 12 o'clock, and was the only protection to the house beside t. The extent of the damage must have been

IF A well-dressed man was brought to the lower police office last night about 11 o'clock, anparently at the point of death, occasioned by hasing been stabbed in the back and head. He had also received a stab in the arm. His exhaustion was so complete that he could scarcely articulate. He was, however, understood to have said that he knew the assailant. The fracas, in which it occurred, took place in Mulberry street. He was conveyed to the City Hospital, baying previously had his wounds closed.

IF A new Post Othice has been established at Guilford Centre, Chenango Co. in this State,

why eighteen peace officers are appointed and regularly paid for attending the courts of General and declined t. order certainly cannot exceed six or eight, seldom a greater number can be found in attendance at any time, and frequently not more than three or

It is known that several of the officers receiving their pay for attending these courts, are frequently absent for weeks and months, transacting other public business, for which they are paid out other City Treusury. Is it just; is it right the public monies should be squandered in this manner, doubly paying a set of favorite officers for duues they do not perform.
